

## **Club Talk Resource List**

Thank you for answering the call on your heart to pursue lost and disinterested kids in Brazoria County! As you may already know, our leaders are the heartbeat of our mission and we couldn't do this without you! We take pride in knowing that we send the best of the best onto the frontlines in hopes of winning the right to be heard in our teenage friends' lives. As such, we want to equip you with the best resources available to help you succeed in this mission!

It is a privilege to be able to stand before our friends and proclaim the good news of hope, grace, and love that we have in Jesus. It's the entire reason we have Club! The resources below are meant to be an aid to you as you pray for the Lord's direction, covering, and grace in preparing to share His message. This list is not meant to replace your leader training on the gospel proclamation, but rather to supplement it in order to gain a bigger picture of what your preparations can look like.

Here are resources directly from Young Life on proclaiming the gospel:
